FOR IMMEDIATE RELEASE

ACT FOUNDER INCLUDED IN MARQUIS WHO'S WHO IN AMERICA

Veronica Williams in 65th Edition of Who's Who in America

Washington, DC – October 14, 2010 – Considered by many to be the foremost Who's Who publication, the 65th Edition of Who's Who in America will be released this month. Among the biographies of the nation's most noteworthy people is that of Veronica A. Williams, Founder and President of ACT Inc. In addition to leading ACT's accomplishments as a strategic consulting and technology services firm, Ms. Williams is recognized as a leader in business and technology. She holds degrees from prestigious universities and is among a select group holding PgMP and other certifications. Her online CV may be found at www.VeronicaWilliams.com.

Compiled by the Marquis Who's Who editors using proprietary standards developed over 110 years ago and refined annually, this trusted book is the ultimate biographical reference tool for networking, prospecting, fact-checking, and numerous other research purposes.

"I am truly honored by this recognition. I have had a four decade career devoted to process improvement from emerging technologies," said Veronica Williams, MBA, PgMP, industry analyst and creator of Discover/ITTM. "We are proud to provide the most creative and high value solutions to improving an enterprise's operations," continued Williams. Discover/ITTM service solutions and educational products are noted for delivering high return, simplified solutions to complex business and technical problems.

Since 1899, when A. N. Marquis printed the First Edition of **Who's Who in America**[®], Marquis Who's Who has chronicled the lives of the most accomplished individuals and innovators from every significant field of endeavor – including politics, business, medicine, law, education, art, religion and entertainment. Today, **Who's Who in America**[®] remains an essential biographical source for thousands of researchers, journalists, librarians and executive search firms around the world.
